

The Show

Â Â Â We offer several show options, which may even include lasers! You not only specify your wishes and preferences - you take part in the very creation process of your desired show with us! One of our differentials is the number of languages in which the lyrics are - Portuguese, English, French, Italian, Napolitano, Spanish, Japanese, Chinese (Mandarin), Hebrew, Arabic, idish and Ladino - representing all musical styles, going from jazz to tarantella, from rockâ€™nâ€™roll to bolero, from samba to dance music, and all the way from world folklore to erudite compositions! In a nutshell one can choose from classic pieces to contemporary productions. A vast, comprehensive and unique repertoire for your delight and appreciation!

Â Â Â Shows for specific communities and theme-based shows are prepared and performed with all due respect, dedication and care. Among the show options, it is worth to mention both the â€™MineirÃ-ssimoâ€™, which focuses on songs and poems by composers and poets from Minas Gerais (which may include quick journeys through the biographies of late authors born in the State) and the â€™Italianissimo ma non troppoâ€™, which is made of songs that are originally Italian, but are well known in other languages, plus internationally famous hits now translated into Italian. We have also successfully presented shows like â€™Italian Nightâ€™, â€™French Nightâ€™, â€™Golden Years Nightâ€™, â€™Celebrating the 60â€™s, 70â€™s and 80â€™sâ€™, â€™June & July Partiesâ€™, â€™Latinity Partyâ€™, â€™Israel in Songâ€™ and Bar-Mitzvaâ€™s. Note that these are some of many, not just a finished list, for we continually strive to further our potential through deep research work, exclusive arrangements and costume refinement.
